

## DEVELOPMENT INITIATIVE OF WEST AFRICA

### Request for Proposal (RFP)

**Title:** Small Grant Awards for Livelihood and WASH Projects in Rural and Remote Communities

**Issued By:** Development Initiative of West Africa (DIWA)

**RFP Number:** DIWA-SGR-2024-LW

**Issue Date:** 16<sup>th</sup> October 2024

**Proposal Submission Deadline:** 27<sup>th</sup> October 2024

**Notification of Award:** 6<sup>th</sup> - 14<sup>th</sup> November 2024

**Implementation Period:** One month after notification of award

### 1. Background

Development Initiative of West Africa (DIWA) is calling for proposals from Civil Society Organizations (CSOs) to implement small-scale projects focused on livelihood and Water, Sanitation, and Hygiene (WASH) interventions in rural and remote communities across Nigeria. These projects aim to address challenges such as economic insecurity, lack of access to clean water, and inadequate sanitation facilities, which affect vulnerable populations in these areas.

The small grant initiative is in line with DIWA's mission to enhance socioeconomic resilience in rural communities and improve public health outcomes. The project duration for each grant will be one month, and CSOs are expected to implement within this time frame after receiving the award. Shortlisted CSOs will undergo a capacity building session prior to receiving the grant to ensure effective implementation.

### Project Overview

#### Thematic Areas:

1. **Livelihood Support:** Projects that promote income-generating activities, skills acquisition, and entrepreneurship among rural and remote populations.
2. **Water, Sanitation, and Hygiene (WASH):** Initiatives that enhance access to clean water, improve sanitation facilities, and promote hygiene practices in communities.

#### Project Locations:

Targeted rural and remote communities across the North-Central and North-West – Niger, Benue, Plateau, Kwara, Sokoto, Kano, and Kaduna states of Nigeria, with a focus on underserved regions.

#### Grant Awards:

- **Award Floor:** ₦100,000

- **Award Ceiling:** ₦1,500,000

*Note:* The size of the award will depend on the scope and potential impact of the proposed project.

### 3. Scope of Work

Organizations are required to:

- **Livelihood Projects:** Implement sustainable livelihood programs, including vocational training, business skills development, and small-scale entrepreneurship initiatives.
- **WASH Projects:** Improve water infrastructure, promote sanitation, and educate communities on proper hygiene practices to reduce the incidence of waterborne diseases.

Projects should be community-driven, include participation from local stakeholders, and aim for sustainable outcomes.

### 4. Eligibility Criteria

Eligible CSOs must:

- Be legally registered in Nigeria.
- Demonstrate previous experience in implementing projects in the thematic areas (Livelihood and WASH).
- Have a strong track record of working in rural and remote communities.
- Provide evidence of organizational capacity & structure with defined roles & responsibilities, including financial management, project management, and monitoring and evaluation expertise.
